Option 1: Plant your favorite orange/red cascading annuals for bulbs to grow up through

Red wave petunias
Pansy's in purples/blues

Option 2: Plant an evergreen shrub for year round interest and plant your bulbs around the shrub. Support your local garden nursery and inquire about shrubs suitability for your zone and size of containers

Check out these plants that no one in your neighborhood will have
Nandina domestica 'Moon Bay'
Choisya ternata 'Sundance'
Chamaecyparis obtusa 'Nana Gracilis'

*Remember containers dry out much faster than planting beds so simply set up a drip irrigation kit such as Hunter or Rainbird and put your containers on a daily timer in the summer months
